## President's Message

*Happy New Year EWI Sisters!*

*I hope everyone celebrated the holidays with family and friends around them. I pray it was a meaningful time for all and that everyone had a chance to make some new memories.*

*A huge THANK YOU to everyone that contributed to the YWCA Christmas donations. I was very impressed with the amount of donations collected and the YWCA was very grateful. EWI is a generous group in so many ways.*

*I am really excited to see some diverse formats for EWI meetings in the next six months. We will try some lunch meetings, different venues and try to attract new businesses and members. Membership is still a high priority for the Board. I would like to see each one of use reach out not only to new potential members, but also invite past members back for a second look. Find out why they left. Is it something we can find a resolution for? Was the timing just not right back then? Let's attract a more diverse group and make significant effort to meet their needs.*

*A new year always brings new opportunities. EWI embraces challenges, connections and opportunities with conviction. Let us all commit to making EWI stronger and welcoming for everyone. Let's show our pride!*

## New Website

The board is so very excited to announce that our new website is now up and running! **HUGE** thanks to member firm **Prairie Orchid Media** for building this site and managing the migration for us! We could not have done it without Tristina's expertise and guidance.

We hope you find it easy to navigate, register for our events and refer people to it. Be sure to take some time to explore the new site! Our domain remains the same...

## Last Month's Meeting

Thanks to everyone who was able to make it out on a very cold night to our Annual Holiday Party! We enjoyed a wonderful turkey dinner with all the fixings, played some reindeer games and then got into yet another laughter-filled white elephant gift exchange. A special thank you to all members who brought donations for the YWCA too!
