| MESSAGE FROM THE PRESIDENT |

Dear Members,

Can you believe it is July? We are already have way through 2024 and what a year it's been already for our chapter. We have served at RMHC, learned about Diversity & Inclusion, financial decisions, wellness and of course an amazing evening with 3 of our city counsellors where we had an opportunity to hear their story and ask questions about their journey to get there. These ladies work tirelessly that being said I hope that you are all going to get in a summer vacation, and may it lead you on some adventures.

We are taking July off here at EWI so there will be no member meeting but we will be back with a splash in Aug at our fun member event, more details to come. Also our fashion show committee is busy working behind the scenes to organize an amazing Fall Fashion Gala where we are going to raise money for our ASIST Bursary. This is going to be the event of the year for EWI and we are going to need all of you members to assist in ticket sales, securing silent auction items and more. I am excited to work alongside all of you to make this event successful. Ladies if you haven't signed up for the Growth Zone I would encourage you to do so, there are so many classes available to you. I have started my first class and am really excited to get learning. If you need help setting up your account please reach out and we can assist.

I wanted to take a moment to thank all of our board/committee members who work so hard behind the scenes to organize events, create social content for our Website/Facebook page and show up to help out, so a great big thank you to Darlene, Debbie, Susan Mowat, Susan McDonald, Char, Nhu, Maria, Fran, Ricci, and Cara .

"The best way to find yourself is to lose yourself in the service of others"..... Mahatma Ghandi
with gratitude.
