2024 President

| MESSAGE FROM THE PRESIDENT |

Dear Members,

As we approach May, the days are getting longer and warmer weather is upon us. I am so excited to see the tulips bloom and trees start to turn green. It reminds me that like trees we may be trying new things and branching out in different directions.

EWI corporate is offering classes for members and it's free all you need to do is get an account.

Darlene Biggins is going to set up a training session to show new and existing members how to set up their EWI profile. There are some wonderful webinars and training included that we can start utilizing. Be sure to watch your emails for the date and time, I look forward to seeing you all there.

We achieved and exceeded our goal to raise \$5000.00 at our annual steak night in April. It was a great night of food, fun, connections and money being raised to support our ASIST bursary. The highlight of the evening was Craig the owner of Pleasure Way pub winning the 50/50 draw and donating it all back to EWI. People's capacity for giving never ceases to amaze me.

A huge shout out to Darlene and the steak night committee for all of your hard work. Plus the members who also pitched in to help by selling tickets, registering guests, helping out with the silent auction.

A great big thank you to our sponsors, silent auction/raffle donators and to Cara who worked so hard to get these donations. Teamwork really does make the Dreamwork, and when people work together wonderful things can be achieved.

I am looking forward to our May meeting at Willow Country. We have a wonderful speaker lined up - Nina Lane who is going to talk about health and wellness. I look forward to seeing you all there, and I want to leave you with this one last thought...

"How wonderful it is that nobody need wait a single moment before starting to improve the world."

with gratitude.

Rhonda Adair
